C12-197 - Accelerated Implementation

Project Narrative

The Greater Blue Earth River Basin Alliance is a Joint Powers Organization consisting of nine member Counties and Soil and Water Conservation Districts encompassing the Blue Earth, Le Sueur and Watonwan River Watersheds. This project will enable the Alliance to continue to provide staff and add capacity in the areas of technical assistance, education and outreach.

Proposed Outcomes:

Continuation of the Conservation Agronomist Position for two years. Position started with Clean Water Legacy funds in 2007.

Continuation of the Cobb Technician Position for two years. Position started with an MPCA 319 grant in 2007.

Continuation of the Nutrient Management Position for 15 months. Position started with Clean Water Legacy funds in 2007.

Actual Outcomes:

Project in Progress
