

Ensuring Stewardship: Rice County Community Environmental Partnership

Clean Water Funds: 2013

| | |
|----------------------|----------|
| Clean Water Grant | \$31,500 |
| Leveraged Funds* | \$7,875 |
| Total Project Budget | \$39,375 |

* Leveraged Funds include required 25% local match

Project Sponsor:

Rice County Environmental

Grant Period:

January 2013—December 2015

Project Contact:

Jennifer Mocol-Johnson

- CommCWF13-83unity Partners

Project Narrative

The purpose of this project is to increase awareness of environmental stewardship practices by providing up to five subgrants to local partners to engage the public, provide education on conservation practices, and create projects, including rain gardens, vegetative buffers, and wetland restorations. Each subgrant will reduce the movement of sediment, nutrients, and pollutants to multiple water resources, retain water on the land, and increase environmental knowledge to individuals within Rice County.

Proposed Outcomes:

Three to Five Community Partners
Grant Projects

Actual Outcomes:

Project in Progress
