

Easement Delivery

BWSR Grant Profile

August 21, 2015

Grant Description

The Easement Delivery grants are issued to assist each SWCD with their site inspection costs and other miscellaneous management activities associated with the easements in their county. These activities include ownership changes, staking boundaries, conservation plan revisions, and assisting landowners with ongoing maintenance of installed conservation practices. Easement Delivery grants are dispersed annually to Soil and Water Conservation Districts as part of the executed SWCD Program and Operations grant agreement or addendum.

Reporting Overview

The Easement Delivery grant does not require a workplan. Expenses should be reported in eLINK, and a description of how the funds were used should be entered in the Actual Results field. The full amount of this grant is paid to the grantee upon execution of the grant agreement.
