

STATE REVIEW AGENCIES PLAN ROUTING

The following agencies (except EQB) will receive plan notifications and both the 60-day and 90-day plan submittals. Send only the 90-day submittal to EQB. All documents can be submitted electronically via email attachment, website link, or CD unless otherwise noted. BWSR must receive paper copy, an email attachment or CD of all submitted documents (website link not acceptable) in order to maintain a record of the submittal.

If submitting via a website link, the submittal MUST be posted to the website on or before the date of submittal and the document(s) posted should not be edited or removed until after the review period is complete.

Please note: this list changes frequently. Please check the [BWSR website's One Watershed, One Plan](#) page for the most up to date version.
