

Conservation Easement Assessment Form Private Wetland Bank

Landowner Name:

County:

Please check either Yes or No or other appropriate boxes and where requested, provide answers to each question.

1. Check the box below that best describes the **current** property ownership:

- Individual Multiple Owners Trust
- Husband and Wife Contract for Deed Entity such as LLP or LLC

If ownership is under a Contract for Deed the Contract for Deed "seller" must sign the easement. The Contract for Deed "buyer" will need to agree to and be part of the required easement signatures.

2. Yes No Are there any known property deed encumbrances? If so, check all that are applicable:
 Judgments Liens Mortgages Assessments Easements

If yes, identify mortgagees, lienholders, etc.:

If CRP land exists within the parcel, landowners should consult with the local FSA office regarding possible impacts of placing CRP land under a perpetual conservation easement.

3. Yes No Are you aware of any severed mineral rights on the property? If yes, please explain:

4. Yes No To the best of your knowledge are there any wells within the planned easement area? If yes, are they:
